

Eno River Academy is proud to offer athletic opportunities to its students at the high school level. This includes all current 9th-12th graders. Interscholastic athletics help our student-athletes develop important life skills such as teamwork, sportsmanship and perseverance. It is our goal to produce students who will go on to succeed not only in athletics, but in all aspects of life.

In high school our athletes compete in the 1A TNAC (Triangle North Athletic Conference).

Excelsior Academy
 Henderson Collegiate
 Oxford Prep

Roxboro Community School
 Vance Charter
 Voyager Academy

We are excited to offer a variety of opportunities for our student athletes.
