

ERA After School Program

When can I register for After School?

2022/2023 After School registration opens Monday, June 13, 2022 for families registering for 5-3 Day/Week care plans and Friday, July 1, 2022 for families registering for Day-By-Day care.

I have submitted my student(s) registration and registration fee, when will I be notified that you have received my registration/fee.

During the summer months, while parents can feel free to contact me via email, I work limited hours and check my email on Tuesday and Thursday of each week. During this time I will send registration confirmations for incoming program participants. However once you submit your registration and pay your fee, as long as there is no waiting list, you will be admitted to our program. In the event of a wait list we will clearly post this information on the school website and directly on the registration forms.

All payments are documented. All receipts are sent to parents via email.

Does your program accept daycare/after school vouchers?

Our program does not currently accept state care vouchers. We do however provide partial scholarships for families that demonstrate a need. For information on scholarships please email me, Heather Cobbs, directly at <mailto:asp@enoriveracademy.org>

I have more than one child, do I still need to pay an additional registration fee?

Yes, registration fees are required for all participants

When will I get my invoice(s), when are they due and how do I pay?

Invoices are emailed out on the first of each month for our care plans beginning in August until May. Day-By-Day Invoices are billed in arrears with the first tuition payment going out September 1st.

Payments are due by the 6th day of each month however they will not be considered late until the last school day of the month. If you know a payment is going to be late please let me know when to expect payment so that you are not charged a late tuition fee.

We accept cash, personal checks or money orders for payment. Please make all payments out to Eno River Academy. All payments must reference your student. If you are paying for multiple students or multiple items please use only one check. Payments can be turned in at pickup or mailed into the school office. If sending payments by mail please only use the school P.O.Box address.

When does After School begin?

ASP is up and running on the first day of school! If you have a rising kindergarten student please email me so that I can have their first week schedule and will know when to expect them.

What time is pickup and where do we go for pickup?

After school runs from 3:00pm-6:00pm. All students need to be picked up by 6:00pm. Parents that arrive after 6:00pm will incur a \$1.00/minute late fee for the first two occurrences. After your first two occurrences you will be charged a \$20.00/student fee for your third occasion, a \$30.00/student fee for the 4th occurrence. After the fourth occurrence you will be removed from the program. All late fees will need to be paid directly to the team member providing care and are due at pick up.

Is there After School everyday as well as teacher workdays/holidays?

Our program does operate on normal school days unless the school closes due to inclement weather or other necessary closures. Early release days are not included in your regular tuition however we do offer select Early Release Day Camps. ERD camps run from 11:30 am- 6:00pm and are \$25.00/student. We do not provide care on holidays or teacher workdays.

Can we change our enrollment during the year?

Yes, enrollment can be increased or decreased depending on your family needs. A two week notice is required for all enrollment changes and must be submitted in writing.

I have a highschool student. Is there a program at the highschool?

No, all ASP activities will take place at the lower school. High school participants can choose to walk over together with a team member or make their way up themselves depending on your preference. Students have 10 minutes to get their things together before leaving for the lower school. Rain or shine the students walk up so make sure they have an umbrella handy! If your student does not walk up with a team member please be advised that we are not responsible for their activities until they sign in at the lower school.

What is a typical after school day like?

While our schedule often will include special activities that require schedule changes we try our best to stick to a routine. Most of our days will follow this schedule.
