Mandatory Student Supplies – each student needs		Wish List Items – teacher would like these items or extras of these items
Label everything with student name unless communal. We are doing our best to limit shared supplies this year. Things labeled as "communal" will be kept by the teacher and distributed as needed. Items that are highlighted <u>will be used during remote learning at home.</u> Items that are not highlighted will not be needed until students are physically present at school.		sharpies (multi-colored)
